

**REMARKS**

The definition of R" has been inserted from claim 10 as kindly noted by the Examiner. In reviewing this, it was also noted that "each" "independently" were inadvertently omitted from the definitions associated with formulas II and III in claim 10 and this has been corrected. This is clearly an oversight as the definition was inserted after each formula based on the definition all of the instances of R" that was inserted into the end of claim 10 in reference to all of the formulas as set forth in a Response mailed 23 February 2006. Thus, no new matter has been added.

Entry of the amendment, though made after final, is respectfully requested as it addresses the sole outstanding basis for rejection. In light of the amendment to the claims, it is respectfully submitted that claims 1, 6, 10, 16-20, 23-30, 43-45, 47-49, 53 and 57 are in a position for allowance and passage of these claims to issue is respectfully requested.

In the unlikely event that the transmittal letter is separated from this document and the Patent Office determines that an extension and/or other relief is required, applicants petition for any required relief including extensions of time and authorize the Commissioner to charge the cost of such petitions and/or other fees due in connection with the filing of this document to **Deposit Account No. 03-1952** referencing **docket No. 219002029210**.

Respectfully submitted,

Dated: November 20, 2006
